

Tuesday Tasting Dîner-dégustation - Champagne Krug

Tuesday
03
DECEMBER

20H00 To 22H 00 | 350,00 € per person/

"To offer the most generous expression of Champagne from year to year". This was **Joseph Krug's** ambition when he founded the Krug company in 1843. Its vast collection of reserve wines has enabled it to recreate an exceptional vintage every year. Six generations have followed one another since then, perpetuating its philosophy and know-how.

Krug Grande Cuvée is the very embodiment of it. It is the result of a blend of 120 wines from at least ten different vintages, some of which have been preserved for 15 years.

This unique blend offers a great richness of aromas and its incomparable taste.

Krug Vintage, Clos du Mesnil and **Clos d'Ambonnay** are the perfect antithesis of this tradition, pushing the individuality of wines that express themselves through a specific vintage or terroir... This prestigious dinner takes you on a journey to a champagne with a timeless style that has no other taste.

In presence of Eric Lebel, cellar master.
