

Tuesday Tasting Domaine de l'Hortus

Tuesday

MARCH

20H00 To 22H00 | 90,00 € per person/

The Orliac family describe themselves as *"lovers of a job well done and hitting the nail on the head"*.

In the **1970s**, **Jean** and **Marie-Thérèse** came to the **Combe de Fambétou**, in the heart of the **Pic Saint-Loup AOC**, with the conviction that it was possible to produce great wines in the **Languedoc Roussillon** region. In the beginning, there was no vineyard to speak of in this ruggedly beautiful valley between the cliffs and the garrigue scrublands. The couple patiently cleared and planted sixty hectares of vineyards over thirty years' time. It took ten whole years of work to produce their first vintage, in **1990**. Since then, the **Domaine de l'Hortus** has been making a significant contribution to the reputation of **Pic Saint-Loup** wines.

Today, their children - **Marie, François, Yves** and **Martin** - have succeeded to the estate and continue to operate with the same determination.

Domaine de l'Hortus offers a wholehearted, genuine tasting of several vintages of each of the wines it produces: **Grande Cuvée de l'Hortus** in red and white, and **Bergerie de l'Hortus** in red, white and rosé.
