Christophe Roumier represents the third generation in charge of the family estate. He describes his work as "*producing typical wines which express themselves through Pinot Noir*". Typical, that is, of extraordinary terroirs! Since it was founded in **1924**, the estate has incorporated a certain number of sought-after plots situated between **Corton** and **Morey Saint-Denis**, and **Christophe** now works them with incredible flair. This well-educated winemaker and avid ambassador invites us to embark upon a fantastic voyage of the senses.
